Strathbogie Shire Council encourages community to drop in

Strathbogie Shire Council is calling on the community to get involved in upcoming drop-in information sessions for a variety of proposed infrastructure projects.

The following sessions are being facilitated by Council:

- ✓ **Euroa Visitor Information Centre – Friday, 8 December, 2017** from 10am-12pm
Corner of Bury Street and Kirkland Avenue (opposite the Maternal and Child Health Centre)
- ✓ **Nagambie Infrastructure Projects– Thursday, 14 December, 2017** from 4-6pm at Harry's Café, High Street, Nagambie
Projects include Nagambie Visitor Information Centre, Angle Parking, High Street Toilet Block Project, Foreshore Walk (between Jacobson's Outlook and Bryde Street) and change to V/Line Bus Stop.
- ✓ **Euroa RSL – Friday, 15 December, 2017** from 1-3pm at the Euroa RSL/Third Age Club, Kirkland Avenue, Euroa
- ✓ **Kippings Road and Richards Lane, Strathbogie – Wednesday, 20 December, 2017** from 4-5pm at the Corner of Kippings Road and Galls Gap Road (Polly McQuinn's) intersection

Council staff and Ward Councillors will be on hand to speak about the options available for the above proposals.

At the recent Ordinary Council Meeting, Council resolved to consult with the community on these key projects, which will be regularly utilised by the local community.

Mayor Amanda McClaren said this is all part of being a more open and transparent Council, which are key values supporting their Council Plan.

"These sessions are a great opportunity for our communities to keep informed and get involved in discussions about key infrastructure proposals in the Shire," she said.
