NEW AND EXCITING EVENT COMING TO LONGWOOD IN MARCH

Longwood Football Club is partnering with other local community groups to host a festival at Longwood Recreation Reserve on Saturday 3 March from 2-9pm.

If you're in need of an afternoon under the gum trees with live music and a glass of beer, wine or cider in hand, look no further.

Event organiser and Longwood Football Club Committee Member Kathryn Goodall said the committee was keen to do something different that isn't offered in the shire.

"We wanted to be able to showcase the small brewers from around the region," she said.

Attendees will be able to enjoy a refreshing glass from a variety of producers including Strathbogie Brewery, Tooborac Brewery, Maygars Hill Winery and The Cheeky Grog Co.

The committee have also attracted massive talent to bring in the good vibes, including acoustic performers Benny Walker and Tom Richardson.

There will be plenty of activities for the kids including croquet, Jenga and Connect Four.

Courtesy buses are running from a variety of locations, including a free bus for Euroa Caravan Park guests.

Longwood CFA, Longwood Primary School and Longwood Community Centre will be supporting the event with catering, as well as a number of vendors, with wood fire pizzas, pork sliders, spit roast and gourmet burgers on the menu.

Proceeds from the event come back to the Longwood Football Netball Club in the lead up to the 2018 season.

"It is going to be a great family-friendly day out where you can sit back and relax with some great music in the beer garden," Mrs Goodall said.
