

Application for a Garbage, Recycling & Organics Collection Service

Note: The cost of a standard Garbage, Recycling & Organics collection service for the 2016/2017 financial year is \$500 - comprising \$339 for garbage (includes organics free of charge) and \$161 for recycling.

Application Details

I wish to apply for the following service (Tick appropriate box)

New Garbage, Organics and Recycling Additional Garbage, Organics and Recycling
for the property address indicated below.

I understand that –

- a) I will be provided with a 120 litre Mobile Garbage Bin, a 120, 240 or 360 litre Mobile Recycling Bin and a 120 or 240 litre Mobile Organics Bin as part of the standard collection service and that these bins remain the property of the Strathbogie Shire Council and must remain at the property address indicated below.
- b) The organics bin will be emptied weekly and the recycling and garbage bins will be emptied fortnightly (on alternate weeks) and that the bins must be placed on the roadside the night before my designated collection days.
