BUSINESS

1. **Welcome**

2. **Apologies**

3. **Acknowledgement of Traditional Land Owners**

'I acknowledge the Traditional Owners of the land on which we are meeting. I pay my respects to their Elders, past and present'

4. **Report by Mayor**

The Mayor, Amanda McClaren, will comment on major achievements of Council and significant events held during the municipal year just concluded.

5. **Provision of a Motor Vehicle for the Mayor**

Council may determine whether or not a motor vehicle is provided for use by the Mayor. Council has previously determined that a vehicle would be provided for use by the Mayor and/or Councillors, or as a staff 'pool' vehicle, if available.

Council may also determine whether the Mayor sacrifices an amount for the additional cost of having private use of the Mayoral vehicle. The Mayor currently sacrifices an amount of \$200 per month from the Mayoral Allowance.

Consideration and determination by Council is now sought on the following -

1. Whether a vehicle is provided.
2. The amount the Mayor sacrifices for use of the vehicle.

RECOMMENDATION

For determination.

.

6. Determination / Election of Deputy Mayor

It is at the discretion of Council as to whether a Deputy Mayor is elected. It should be noted that a Deputy Mayor does not receive a separate allowance; their allowance is the same as for a Councillor. There is also no additional allowance if a Deputy Mayor is required to Chair Council meetings in the absence of the Mayor.

Council's Meeting Procedure Local Law states that –

- (1) *If the Mayor is unable to attend a Council meeting for any reason:*
 - (a) *the Deputy Mayor will be acting Chair;*
 - (b) *if no Deputy Mayor has been elected, an acting Chair shall be elected; and*
 - (c) *the Chief Executive Officer shall chair any meeting to determine the Chair.*

Section 73 of the Local Government Act 1989 states that –

73. Precedence of Mayor

- (1) *The Mayor of a Council takes precedence at all municipal proceedings within the municipal district.*
- (2) *The Mayor must take the chair at all meetings of the Council at which he or she is present.*
- (3) *If there is a vacancy in the office of Mayor or the Mayor is absent, incapable of acting or refusing to act, the Council must appoint one of the Councillors to be the acting Mayor.*
- (4) *An acting Mayor may perform any function or exercise any power conferred on the Mayor.*

An excerpt from the Good Governance Guide, a collaboration between the Municipal Association of Victoria (MAV), the Victorian Local Governance Association (VLGA), Local Government Professionals (LGPro) and State Government reads -

The Local Government Act 1989 does not deal with the election of a Deputy Mayor. Accordingly, Councils may choose to appoint a Deputy Mayor if they believe this will assist their governance. The Act does not prescribe a role or permit a level of remuneration over and above that available to Councillors.

For Councils that have a Deputy Mayor, the position is in name only. Unlike the roles of Deputy Premier or Prime Minister, a Deputy Mayor is not able to automatically step into the role of Mayor if this becomes necessary. An Acting Mayor must be appointed when the role is required and this does not have to be the Deputy Mayor.

There are arguments for and against having a Deputy Mayor and each Council must make its own decision.

6. Determination / Election of Deputy Mayor (cont.)

Councillors are now required to consider whether to elect a Deputy Mayor for the forthcoming year.

RECOMMENDATION

For determination.

7. 2020 Ordinary Council Meetings Timetable

Ordinary Meetings of Strathbogie Shire Council are held on the third Tuesday of every month (except January), at the Euroa Community Conference Centre, commencing at 6.00 p.m.

Special Council meetings are scheduled on an 'as required' basis, for example, receiving / hearing of submissions under Section 223 of the Local Government Act 1989, or matters that it's considered require urgent consideration and determination, for example, contractual matters, etc.

RECOMMENDATION

That Council continues to conduct its monthly Ordinary Council Meetings (held on the third Tuesday of the month, except January) at the Euroa Community Conference Centre, commencing at 6.00 p.m.

8. 2020 Planning Committee Meetings Timetable

In August this year, Council undertook a review of its programming of Planning Committee meetings, and determined to reschedule the meetings to the third Tuesday of every month (except January). The venue and time of the meetings remains unchanged, i.e. held at the Euroa Community Conference Centre, commencing at 4.00 p.m.

This arrangement streamlines formal meetings for Councillors in that Planning Committee meetings and Ordinary Council meetings are held on the same day. It also enables the Planning Committee to conduct a meeting in December which, subsequently, shortens the period before the following meeting of the Planning Committee in February.

RECOMMENDATION

That Council continues to conduct its Planning Committee Meetings on the third Tuesday of the month (except January) at the Euroa Community Conference Centre, commencing at 4.00 p.m.

9. Councillor Committees Representation – 2019/2020

Councillor representation on the following Committees is intended to create an indirect association with various organisations and for Council to provide input, if and when required.

Councillor representation (including a substitute representative, if required) on the Committees is now sought.

RECOMMENDATION

For determination.
