PURPOSE AND BACKGROUND

The review of the 2017-2021 Council Plan and proposed 2020/21 Budget was considered by Council at a Special Council Meeting held on Monday 27 April 2020. Subsequent to that meeting, public notice of the proposed Budget and Council Plan review was given in local newspapers, calling for submissions under Section 223 of the Act. Submissions in writing were invited until 5.00 p.m. on Tuesday 3 June 2020. The proposed Budget and reviewed Council Plan were made available for inspection and accessible on Council's website. In addition, five community online 2020/21 draft budget online forums were held in May 2020 to provide a further opportunity for our community to have their say on the proposed budget.

ISSUES, OPTIONS AND DISCUSSION

One of the Overarching governance principles in section 9 of the Local Government Act 2020 is that Priority is to be given to achieving the best outcomes for the municipal community, including future generations

The proposal is to hear submissions from the community in regard to a range of issues identified in the Budget and Council Plan – ranging from rate levels, service delivery and capital works. Following the hearing of submissions, Council will determine a position on them at the 30 June 2020 Council meeting.

COMMUNITY ENGAGEMENT

One of the Overarching governance principles in section 9 of the Local Government Act 2020 is that the municipal community is to be engaged in strategic planning and strategic decision making.

Council's proposed Council Plan Review and proposed 2020/21 Draft Budget have been on public exhibition for the statutory period of at least 28 days and submissions were invited from the community.

The 2020/21 Draft Budget provides funding allocations and support for nominated projects to proceed in both operational and capital works budgets, and, where appropriate, further community consultation will occur throughout the year specific to each project.

A series of online consultations have been conducted across the community and submission have been sought and received.

POLICY CONSIDERATIONS

The author of this report considers that the report is consistent with Council Policies, key strategic documents and the Council Plan. Specifically, the proposed Budget and review of the Council Plan are prepared in the context of the Council Plan and Council's long term financial planning.

LEGAL CONSIDERATIONS

One of the Overarching governance principles in section 9 of the *Local Government Act 2020* is that Council decisions are to be made and actions taken in accordance with the relevant law.

2017-2021 Strathbogie Shire Council Plan (2020 Review) (incorporating the

The Local Government Act 1989 requires that Council give public notice of the review of the Council Plan and proposed Budget and invite submissions under Section 223 of the Act. The Act requires that Council must adopt the Budget by 30 June 2020 although an extension has been allowed until in light of the impact of COVID-19.

The Act further requires, under Section 125(7), that Council must consider whether the current Council Plan requires any adjustment. This process satisfies this requirement.
