Background

In accordance with the requirements of Section 127 of the Local Government Act 1989 (the Act), Council has prepared a budget for the financial year ending 30 June 2014.

In preparing the 2013/2014 Draft Budget, the Council has considered many factors in an effort to continue to balance community expectations and benefits with financial responsibilities. The Council is pleased to place on public display a draft budget that works hard to maintain existing service levels and deliver strong investment in capital works across the municipality. The Council will continue to provide significant funding for renewal works on our ageing and outdated infrastructure, based on the requirements of the Road Management Plan and taking into account financial constraints.

The Council is proposing a 6.5 per cent increase in the total declared rates and charges revenue for 2013/2014. This is necessary to continue to deliver current services, fund a small number of new initiatives and continue to fund investment in our growing municipality. The proposed rise is less than the 7% forecast in the 2012 update to the Rating Strategy.

The 2013/2014 Draft Budget provides for a \$7.63 million capital works program with the following highlights:

- Resealing Program \$1.47 million
- Pavement Rehabilitation \$1.08 million
- Rehabilitation Violet Town Landfill \$600,000
- Bridge Works \$537,000
- Violet Town Flood Mitigation \$504,000
- Violet Town Library \$400,000
- Sevens Creek Park Toilets \$250,000
