# Important things you need to know before you start

*Read the Guidelines carefully. It is important to have a full understanding of the Guidelines before you start completing the online application.*

The term project is used throughout this document. Project means any activity, event, initiative or program that you are seeking funds for.

**It is a condition of application that you discuss your proposed project with a member of the Community Services and Inclusion Team.**

This will help to:

- Check your group is eligible for funding.
- Check your project is eligible to be funded and that you are applying in the correct category.
- Check your project is in line with the relevant Community Action Plan where applicable
- Clarify any queries you may have about the guidelines and online application process.

Please note if you apply under an incorrect category we are unable to move your application to a more appropriate category and your chance of receiving funding will be reduced.

The amount of funds awarded will be dependent on number and quality of applications. Please note: you may not receive the full amount of funds you have applied for.

The maximum grant amount for each category is as follows:

**Active and Healthy Communities – \$5000**

**Arts and Culture – \$5000**

**Environment and Sustainability – \$5000**

**Facilities and Infrastructure – \$5000**

**Small Projects – \$1000**

Applicants are required to contribute towards the implementation of their project; this may include cash or in kind contributions or a combination of both. There is no minimum contribution required however evidence of the contribution must be provided.

**Council will require evidence of appropriate Public Liability Insurance prior to the receipt of funds.** The preferred minimum coverage is to be \$20,000,000 or other amount to the satisfaction of Council.

**Applications can only be received from incorporated groups.** If your group is not incorporated, you will need to seek out an incorporated group or a Community Planning Reference Group (also known as Community Action Group) who is willing to auspice (endorse) your application.

If your group is submitting an application for funding you may also agree to act as an auspicing group for another non-incorporated group.

If your group has received Community Grants Funding previously you must have completed any outstanding project acquittal requirements before being eligible to reapply for the current round of the Community Grants Program. The Grant Acquittal Form is available on the SmartyGrants account that you used to apply for your previous Grant.

**Any questions regarding acquittal requirements can be directed to the Community Services and Inclusion Team on 5795 0000.**
