**Standalone Flood Damage Repairs out to tender**

Strathbogie Shire Council has released another tender package for a number of standalone flood damage repair works.

These packages include a variety of works such as gravel pavement and shoulder restoration, drainage improvement, kerb and channel and culvert reconstruction.

The standalone works packages will be undertaken at the following locations:

- ✓ Killeens Hill Road
- ✓ Galls Gap Road
- ✓ Mackrells Road
- ✓ Horse Gully Road
- ✓ Balmattum Road
- ✓ Hills Road
- ✓ Kippings Road

Tender specifications can be accessed on Strathbogie Shire website using the following link:

Tenders for these packages close 4pm Wednesday, 2 May, 2018.

The major tender package released last month for up to \$5 million worth of infrastructure recovery works has now closed and is currently under evaluation.

Council thanks affected residents for their ongoing patience during this time and looks forward to delivering significant recovery works in the coming months.
