The Euroa Community Cinema refurbishment project was funded through the Victorian Government's Creative Victoria program, delivered by Regional Development Victoria.

## Smartphone Stories Showcase

The Smartphone Stories project is a two-year travelling workshop series, visiting 24 locations across Victoria and empowering people to tell own stories using smartphones. The project is supported by the VicHealth Everyday Creative Partnerships program with Strathbogie Shire Council, presented by Cinespace in partnership with City of Port Phillip. Additional funding during Covid was received from the Australia Council for the Arts.

The Smartphone Stories workshop was thrilled to deliver the program in Euroa and Nagambie in Nov 2020 to 14 people!

A selection of their films will be shown as a showcase before the film.
