Noise source:

- barking dog
- residential/commercial music
- motor vehicle
- power equipment
- construction
- other: (state) _____

Location of source (address):

How long has the noise been occurring? (hours/days/weeks)

Is the noise continuous or intermittent?

Are there any known reasons for the noise?

What aspect of the noise are you specifically distressed about?

Is the noise a matter of timing (ie. would the noise be a problem if it occurred at another time of day)?

What do you consider to be the solution of your concerns?

Do you have any other comments? (please print on the rear of this page if required)

Name: _____ Ph: _____

Address: _____

Signature: _____ Date: _____

Please keep a record of the occurrences of the specified noise on a Noise Log Sheet for a period of 7 days or the period of time as specified by Council. Return this assessment with the log sheet to the Community and Safety department, Strathbogie Shire Council, to the email address above.
