- Christmas Day
- Boxing Day
- New Year's Day
- Total Fire Ban days
- Catastrophic fire danger days

All facilities are EFTPOS only.

Did you know that some things can't go in your bins?

But don't worry we accept a lot of different materials at one of Council's SEVEN Resource Recovery Centres... and often for free! The table below shows the type of waste that can be deposited at each centre.

- Green waste may be deposited at the appropriate transfer stations for the standard tipping fee. This material is mulched on site and made available free of charge for residents. Residents that wish to take free green waste must self-load the material and it is taken at own risk. The mulch quality varies from time to time and is not guaranteed by Council.
- Asbestos - None of Council's facilities accept asbestos. Contact EPA Victoria on 1300 372 842 or <https://www.epa.vic.gov.au/your-environment/waste/asbestos> for disposal locations.
- Chemical or liquid waste – are not accepted at any of Council's Facilities.
- Commercial Quantities – all loads and materials will be inspected by our Transfer Station Operators. All Operators have the right of refusal for non-compliant materials, or materials that may be considered a commercial quantity.
- We do not accept bricks, concrete, clean fill or tiles at any of our sites.
- Tyres – maximum of six tyres will be accepted per disposal.
