19 May 2023

KING ISLAND, TASMANIA

Keep Australia Beautiful has been running the Australian Tidy Towns Awards for almost sixty years as a means of encouraging, motivating and celebrating the sustainability achievements of rural and regional communities across Australia.

In addition to recognising these achievements, the awards event offers representatives from across the country an opportunity to network and exchange ideas with others from community, industry and government sectors.

Each year the awards dinner and associated activities are hosted by the previous year's winner. **King Island** in Tasmania was named the 2022 Australian Tidy Towns winner and as such, will be our hosts for the 2023 Awards Event.

Thank you to the following organisations for their generous support of the event:
