

Strathbogie Shire Council Advocacy Update

Strathbogie
SHIRE COUNCIL

Advocacy is an essential way of securing funding for important projects and works that matter to our community and that Council alone cannot fund.

The Local Government Act 2020 (the Act) identifies that Councils have a legitimate role to play in advocating for the needs of the community and municipality.

Our advocacy efforts are essential to achieving these requirements of the Act. Perhaps, more importantly, advocacy is essential to achieving great outcomes for our community.

- Cooler Canopies Urban tree plantings across Shire
- Nagambie Resale Shop
- Emergency Management
- New transfer station bins in Nagambie and Avenel
- Flood recovery

Strathbogie Shire Council Advocacy Update

Our region is fast becoming the destination for people to invest, live, visit and play. For those who are lucky to live in Strathbogie Shire we know how special our region is. However, what was once our secret is now well-and-truly out.

To ensure we can support this growth – both business and residential – Strathbogie Shire Council will advocate to State and Federal governments for funding support. Council's advocacy priorities are:

- [Roads and Bridges](#)
- [Greening Euroa Project](#)
- [Reliable power supply infrastructure and renewable energy](#)
- [Equitable digital and telecommunications infrastructure](#)
- [Nature Based Play Space](#)

The following provides an update on all advocacy efforts outlined in the 2021-25 Council Plan.

1	Engage. Create. Unite	Comment
1.1.4	Adopt and implement an Advocacy Strategy to outline the approach, principles and focus of Council's advocacy activities.	The 2021-2025 Advocacy Strategy was formally adopted by Council at the August 2022 Ordinary Meeting
2	Live. Access. Connect	Comment
2.1.4	Lobby State and Federal Governments to fund improved digital and telecommunications infrastructure.	Council led NBNCO community engagement sessions in every town across the Shire. New mobile towers erected at Graytown, Creighton's Creek, Boho, Euroa, Kirwans Bridge, Locksley, Mangalore, Nagambie, Tabilk and Violet Town.
2.1.6	Support the work being undertaken by the Euroa Mountain Bike Club for the development of a mountain bike track at Balmattum Hill through advocacy with Parks Victoria and relevant government departments.	\$241.6K Victorian Government funding received to investigate, scope, plan and cost an all-abilities Mountain Bike Facility on Balmattum Hill.
2.4	Advocate to the State Government to deliver expanded public transport options to connect the community to local services and facilities.	March 2023 fare reductions welcomed. Advocacy efforts targeted as opportunities present.

3	Protect. Enhance. Adapt	Comments
3.1.8	Advocate to Federal and State Government for investment in reliable power supply infrastructure with a focus on renewable energy.	<p>\$10.3 Million submission made for funding to implement community batteries in Violet Town, Avenel, Euroa and Strathbogrie.</p> <p>Further submission made in conjunction with Goulburn Murray Climate Alliance for battery business case in Euroa.</p>
3.5	Investigate, in partnership with Goulburn Valley Water, opportunities to green open spaces in towns with recycled water from the town's wastewater treatment plant.	Advocacy campaign launched at www.strathbogrie.vic.gov.au
4	Inclusive. Balanced. Safe	Comments
4.1.4	Continue to seek funding to support local business in adapting and responding to the Covid-19 pandemic.	Officers have continued to provide updates to business community regarding available support.
4.1.5	Continue to advocate for the development of the Mangalore Airport as a freight intermodal and transport/ industrial hub.	On hold while discussions held with owners of Mangalore regarding its future development.
4.1.6	Continue to seek funding options for the upgrade of the Euroa Railway Precinct as part of the Euroa Structure Plan's implementation.	\$100K in Victorian Government funding received.
4.1.7	Continue to advocate to the Australian Railway Track Corporation (ARTC) for a community led outcome for the redesign of railway infrastructure in Euroa.	Successfully lobbied ARTC to explore two options. ARTC now progressing community led option.
5	Strong. Healthy. Safe	Comments
5.5	Continue to advocate to the Department of Transport to improve road safety by aligning speed limits with community expectations.	Hume Freeway Avenel interchange speed limit reduced to 80km/hr.
5.7	Explore options for development of a local law around smoking in Council owned public places.	Yet to commence
