

Frequently Asked Questions

Quick Response Grants

What can the grants be used for?

The Strathbogie Shire Community Grants program encourages community organisations and community groups to apply for funding through the Quick Response grants for inclusive community led projects delivered in Strathbogie Shire. These grants will support projects that align with the Community Vision and bring people together to connect, collaborate, celebrate, upskill, share resources, and put ideas into action. Outcomes of funded projects may include, for example, social connection, health, wellbeing, safety, community arts, positive cultural or environmental outcomes, economic development, and increased visitor economy.

Quick Response grants of up to \$1,000 will support smaller projects addressing community identified needs as they arise.

What can't the grants be used for?

- ✗ Projects that have already received Council funding or been approved for another grant from Council in the same financial year
- ✗ Multiple project applications for the one facility within the same grant stream.
- ✗ Projects delivered outside of the Strathbogie Shire municipality
- ✗ Retrospective funding for projects that have already occurred or have commenced excluding ongoing projects as part of a Council approved Community Plan.
- ✗ Projects that don't align with our Community Vision
- ✗ Projects for political purposes and/or promotion
- ✗ Projects that are the responsibility of other agencies (e.g. charities, government agencies)
- ✗ Applications that can't confirm they will be able to obtain the required permits and permissions
- ✗ Costs of attending conferences or sporting events; travel or accommodation
- ✗ Fundraising prizes
- ✗ Catering costs
- ✗ Operational costs e.g. rent, utilities, insurance
- ✗ Staff wages (this does not include payment of contractors or services to deliver the project) or payment to a service provider under the same ABN as the applicant
- ✗ Projects that will result in a Council asset that has not received prior approval
- ✗ Projects that are defined as facility maintenance on community and Council owned buildings; small appliances are acceptable

Who can apply for these grants?

Community groups that are incorporated, have an ABN, a bank account, and have at least \$20mil Public Liability insurance.

What happens if we are not incorporated, don't have an ABN or Public Liability insurance?

If your group is not incorporated you will need to find an incorporated community group, organisation or club with an ABN, bank account, and \$20mil Public Liability Insurance who is not on the 'who cannot apply for these grants' list below and would be willing to endorse your project. This is called 'auspice'. The auspice organisation is the one that receives the grant money on your behalf and is ultimately responsible to ensure the project is completed and funds are spent according to the agreement with Council. The auspice organisation does not deliver the project.
