9 Mayor and Councillor Reports

9.1 Mayor's Report

Although Mayor Jeffery is an apology for this meeting, he has provided a mayoral report for today's meeting that I will read out on his behalf.

It's been a very busy month as our community continues on its recovery journey from the Longwood Berrys Lane bushfire.

I have had the pleasure of attending a number of recovery events over the past weeks and it has been wonderful to see so many people smiling and enjoying some of these wonderful activities. It's more important than ever that we have opportunities to come together as a community.

The Tones and I concert at Longwood over the long weekend was an amazing evening and I want to congratulate the Longwood Community Centre Organising Committee. It is no small feat to organise a rock concert in a paddock in Longwood for 5000 people. It's an even bigger accomplishment to do it in a matter of weeks. It was a great event, and I want to thank Tones and I for supporting fire-affected communities. Not only did she give so many people a reason to smile and dance, but proceeds from the concert are going to the Strathbogie Disaster Relief Fund, which will directly help impacted communities.

It was also my pleasure to MC the 2026 International Women's Day event at Fowles Wines on Friday, 6 March. This year's focus was finding strength and resilience during disasters, and it recognised the unique and powerful role women play in leading, supporting and rebuilding during challenging times. The guest speakers - Fyowna Norton, the State Manager Victoria at the Australian Red Cross, and Michelle Roberts, a Churchill Fellow and co-founder/co-chair of the National Infant & Child Disaster Mental Health Advisory Committee – spoke about leadership, resilience and the important role women play in supporting families, neighbours and entire communities through disaster and recovery.

With live music from local performer Gayle Mawson and time for conversation over afternoon tea, the event provided a moment for people to reconnect and acknowledge the quiet leadership and care that so many women have shown during the recovery period. The gathering served as a reminder that community recovery is built not only through rebuilding, but through connection, compassion and the strength of people supporting one another.

Longwood held its annual "For the Love of Ale" Festival on 28 February. This event really showcased the best our region has to offer, and council was proud to support this day once again. I also want to acknowledge the Longwood Football and Netball Club for doing such a great job in organising this event.

I was also pleased to meet the Rapid Relief Team at Ruffy on 26 February, when they held a Farmers Community Connect breakfast and distributed 1km of fencing wire to 233 impacted property owners. I want to thank the Ruffy community for hosting this event and the community members who assisted with logistics. This event was all about connection, and for some impacted farmers it was the first time they had left their farms since the fires.

After the Ruffy event, I headed to Fowles Wine to meet the Victorian Governor, Her Excellency Professor the Honourable Margaret Gardner AC, and Emergency Management Commissioner Tim Wiebusch, who visited the Shire to learn more about the impact of the bushfires. After lunch, they travelled through impacted areas and met with BlazeAid volunteers at the Euroa Showgrounds. We thank Her Excellency for her time and interest in the people of Strathbogie.

Additionally, along with Cr Carlson, I had dinner with the volunteers at BlazeAid on Tuesday 3rd March. I was very impressed by the professional approach to the work, as well as the dedication of the volunteers. Huge thanks to Debra and Amanda along with the whole crew for their commitment to our community in need.

I would like to congratulate the Euroa Arboretum, which has been awarded a \$900,000 [BushBank grant](#) to expand its seedbank facilities and native seed orchards over three years. This funding will double their processing and storage capacity, support local Traditional Owners, and invest in mechanical harvesting to boost native seed supply for large-scale restoration projects. Tourism Minister Steve Dimopoulos announced the grant when he visited on 26 February to tour the new seedbank site and nursery.

To round out the month, on Saturday evening I also attended the Festival of Small Halls in Avenel. Both Kaurna and Irish were amazing performers, and the opening act of locals Penelope and Will showcased some exceptional young talent in our region. Thanks to the Avenel Hall Committee and the other volunteers for facilitating such an amazing night for our community.

Councillors have been working with staff this month to progress the 2026-27 municipal budget, and we look forward to sharing that with residents in the coming months.

I look forward to seeing you all when I return from leave in two weeks.

9.2 Councillor Reports

Cr Holloway

Thank you Madame Deputy Mayor. The main report I would like to bring to Council is the fact that over the past fortnight the main topic of conversation between myself and community members has changed, and the topic is now far and away number one, the price and availability of diesel fuel, and I shouldn't even laugh, as we have had another rod added to our back.

We've come through bushfires. We are still in drought, which I always like to bring up and the price of everything is going up.

The price of diesel is going up, which will directly effect the ratepayers of this Shire, particularly the agricultural sector. The price of diesel is also going to make everything else in the shops go up, because as the truckies like to say, without trucks, Australia stops.

So all I want to say is that it is a clear stress point that has been added to the stress points that we as Council need to consider. The community is concerned about it with just cause. People and I and others have filled up their diesel tanks when they can because we don't know where this is going. It's terrible timing for this Shire, but something we have to deal with.

Cr Binks

Just briefly, I was at the Violet Town market on the weekend, and I think just the effects on the increase in diesel cost is already being felt in our community of fuel costs in general because it's not just diesel, it's also petrol and there was, whilst your know we noticed that there were some storeholders that had chosen not to come, there are also some reports that perhaps visitor numbers were down.

So just acknowledging that you know it's going to affect us as an organisation, but it's going to effect all our communities as well.

Cr Carlson

Yes, it's an everpresent comment. It's the barbeque stop at the moment. Absolutely. I should keep a better diary because I can't remember half the things I've been to!

But one that was fascinating, Blaze Aid - the tremendous people who just come from literally all over Australia, and some of them are very well educated, professional people who have retired and decided that they would go on road trips doing what they do, and it was quite a fascinating thing.

The Governor was very personable, and not that I know much about what Governors actually do, but she handled herself very well.

In terms of operational things, I suppose I congratulate the engineering department for putting in the pump at the channel, and it's now rained so it's not needed anymore, but it is maybe a little bit, but it's one of those things that is well done, and of course the truck wash which is one of those perennial issues is slowly but surely coming on stream, but we still have teething problems from time to time, and expect some more for the next couple of months.

Cr Ewart-Kennedy

Thank you Councillor Carlson. I'd add my support to all those comments about the effect of diesel and fuel prices. It's very worrying out there for everyone and of course we're discussing

it as a Council moving forward.

As far as reports, I attended the Longwood For the Love of Ale - only to report that in the apple bobbing competition I didn't get one apple! So say no more.

I also attended the Tones and I concert. That was a sight to behold in the middle of a dusty paddock with so many people and so many vendors, and it was just fantastic.

I also went to various communities that have obviously been impacted by bushfire. One in particular stood out, I mean they all stand out because they're so fantastic, but one particular community, the Gooram community. Yes, I just want to make sure I am saying that right because I always say it the wrong way!

The CEO and I went to represent the Mayor a few weeks ago and it was incredible just to see that they had a vision. They knew what had happened and they just wanted to get on with it and really execute a plan.

To Ruffy, to Longwood, to Gooram, to all the other communities in our region, I say thank you for what you've done and continue to do, and I look forward to working with you.

Cr Halsall

Ok, since our last Council Meeting, I have had some time off to support my husband who had a brain tumour removed two days after the February meeting - I hope this provides some context around the emotion I experienced. You might recall during my council report in that February meeting, while I shared pride in the community in the response to the Longwood fires which had my husband on a CFA truck for the duration of the fire incident response.

This month I'd like to share some feedback on the Tones and I concert which I attended with my children because I figure the opportunity to attend an international event with 5,000 people in Longwood probably wasn't coming around very often. The event was outstanding, pulled together within a four week period. It was outstanding work by the community which was a truly community led event. Outstanding work by the Council Officers involved and the funding advocacy and what was achieved to support the event.

Outstanding community opportunity to see an international artist with a sellout crowd of 5,000 or 4,999. Longwood community was on show and again it performed to a very high standard, so thank you.

Cr Stevens

Just to reiterate Blaze Aid's contribution to our Shire. I went to the Governor's visit and spoke to many people that were there volunteering for the benefit of our community and thank them. So I want to thank them again.

The other one was the International Women's Day. Congratulations to the staff for organising a fantastic day. It was well attended and I think those that attended walked away feeling very positive about not just the people that attended there that are representative of our community, but also the encouragement of the speakers. Thank you.

11 Officer Reports

11.1 Strategic and Statutory Planning

11.1.1 P2025-089-1554 Merton-Strathbogie Road, Strathbogie

AUTHOR Manager Planning and Investment

RESPONSIBLE DIRECTOR Director Community and Planning

EXECUTIVE SUMMARY

A planning permit application has been received for 1554 Merton-Strathbogie Road Strathbogie. The purpose of this report is to provide a recommendation to Council to determine planning application P2025-089.

The application proposes subdivision of the land into two lots to excise the existing dwelling.

The subject land is in the Farming Zone. The application was advertised. No objections were received to date.

The key issues for consideration relate to the impact of the proposal on agricultural land, including the potential loss of productive agricultural land, the proliferation of dwellings within the Farming Zone and the genuine need for the subdivision for agricultural benefits.

The application has been assessed against the Strathbogie Planning Scheme and is considered inappropriate. It is Officers' recommendation that a Notice of Decision to Refuse to Grant a Permit be issued.

The proposal is not in keeping with the purposes of the zone and is inconsistent with the objectives of State and Municipal planning policy. The information submitted with the application does not adequately demonstrate the need for the subdivision resulting in a small agricultural lot or justify the creation of a 40-hectare lot with an as-of-right dwelling entitlement.

MOVED: Cr Greg Carlson

SECONDED: Cr Vicki Halsall

That Council resolves to issue a permit P2025-089 under the provisions of the Strathbogie Planning Scheme in respect of the land known as 1554 Merton-Strathbogie Road, Strathbogie (Lot 2 PS416560), for the subdivision of the land into two lots (dwelling excision) subject to the conditions deemed appropriate for the proposal by the responsible officers.

11.2 Community

11.2.1 Animal Registration Fees

AUTHOR Manager Community Safety

RESPONSIBLE DIRECTOR Director Community and Planning

EXECUTIVE SUMMARY

The Longwood Berrys Lane Fire has significantly impacted residents across parts of the Strathbogie Shire, resulting in property loss, displacement, and financial hardship. As part of Council's recovery support measures, it is proposed that Council waive domestic animal registration fees due on 9 April 2026 for residents with registered animals located within the defined fire-affected area.

A review of Council's records has identified 132 registered domestic animals within the affected area. The total foregone registration revenue would be \$5,403, of which \$612.48 represents the statutory levy payable to the State Government under the *Domestic Animals Act 1994*, administered through Agriculture Victoria.

Council officers are advocating to the Victorian Government to waive this statutory levy component; however, should this not occur, the cost for the statutory levy component of the 2026 registration period will be required to be absorbed within the existing Community Safety budget (estimated cost \$612.48).

It was recommended that the proposed waiver apply to the 2026 animal registration period only.

This waiver is considered a practical and compassionate measure that aligns with Council's recovery objectives, provides modest but meaningful financial relief to affected residents, and demonstrates Council's ongoing support for the community following the recent bushfire.

MOVED: Cr Vicki Halsall
SECONDED: Cr Clark Holloway

That Council:

1. Approve a waiver of domestic animal registration fees due on 9 April 2026 for residents with registered animals located within the defined fire-affected area
2. Support continued advocacy to the Victorian Government to waive the statutory levy component for affected residents due on 9 April 2026
3. Note that the waiver applies to the 2026 Animal Registration period only.

11.2.2 Variations and Grants Approved Under CEO Delegation February 2026

AUTHOR Manager Community and Culture

RESPONSIBLE DIRECTOR Director Community and Planning

EXECUTIVE SUMMARY

The purpose of this report is to inform Council and the community of community grants or variations approved under delegation by the Chief Executive Officer or relevant Director, for the period 1 February to 28 February 2026.

The 2025-2026 Community Funding Model and associated Grant Guidelines provides authorisation for the Chief Executive Officer to determine and award Community Grants and Event Grants under delegation, following a robust eligibility and assessment process, and subject to budget availability.

Variations to Community Grants and Event Grants can also be approved by the Chief Executive Officer and/or the Director Community and Planning.

This report provides transparency to the community for decisions being made under delegation relating to the Community Funding Model 2025-2026.

MOVED: Cr Gregory Carlson
SECONDED: Cr Vicki Halsall

That Council:

1. Note that there were four Quick Response Grants awarded to the total value of \$3,449 by the Chief Executive Officer between 1 February to 28 February 2026.
2. Note that there was one Event Grant awarded to the total value of \$4,754 by the Chief Executive Officer between 1 February to 28 February 2026.

11.4.1 Municipal Association of Victoria (MAV) State Council Motions

AUTHOR Director People and Governance

RESPONSIBLE DIRECTOR Director People and Governance

Director People and Governance declared a conflict of interest and left the meeting at 4:53 pm

EXECUTIVE SUMMARY

This report seeks Council's endorsement for the submission of five motions to the Municipal Association of Victoria (MAV) State Council meeting scheduled for Friday 29 May 2026.

The MAV is a membership association and the legislated peak body for local government in Victoria. The State Council is the governing body and is made up of delegates from each member council, including delegates from Strathbogie Shire Council.

Councils are encouraged to submit motions of strategic relevance to the MAV or significance to local government that align with the ten enabling priorities in the MAV Strategy 2024-2027.

MOVED: Cr Gregory Carlson
SECONDED: Cr Laura Binks

That Council:

- (1) **Endorse the following five motions (under the following heading and as detailed in the report) for submission to the 29 May 2026 Municipal Association of Victoria State Council meeting:**

Motion 1: National Disaster Recovery Funding Reform Disaster Funding arrangements

Motion 2: Coordination of Physical Donations During Disaster Events

Motion 3: Biodiversity Strategies Including Weed and Pest Management

Motion 4: Embedding Community Resilience

Motion 5: Shared Resources Across the Local Government Sector

- (2) **Authorise officers to submit the Motions to the Municipal Association of Victoria (MAV) for consideration at the MAV State Council Meeting scheduled for 29 May 2026**
- (3) **Authorise the Chief Executive Officer to make any necessary minor administrative amendments to the motions to comply with MAV requirements.**
- (4) **Should either the MAV delegate or substitute delegate be unable to attend the Municipal Association of Victoria (MAV) State Council Meeting scheduled for 29 May 2026, authorise Councillor Halsall to attend as delegate.**

11.4.2 Parliamentary Inquiry into 2026 Summer Fires Across Victoria

AUTHOR Director People and Governance

RESPONSIBLE DIRECTOR Director People and Governance

EXECUTIVE SUMMARY

On 4 February 2026, the Legislative Council agreed that the Environment and Planning Committee inquire into the 2026 Victorian Bush Fires.

The Committee will inquire into the 2026 summer fires across Victoria including preparation and planning by Government, emergency services agencies, causes and circumstances of the bushfires, funding equipment and appliances for the CFA, the emergency responses, resilience of critical services and infrastructure, the impact on community business and agriculture, the impact on the environment, the impacts of climate change, the impact of misinformation, interjurisdictional support and lessons from previous inquiries, report and Royal Commissions.

The purpose of this report was to endorse the submission that has been prepared by Strathbogie Shire Council to the Inquiry.

Director People and Governance returned to the meeting at 5:04 pm

MOVED: Cr Clark Holloway
SECONDED: Cr Fiona Stevens

- 1. That Council endorse the submission to the Parliamentary Inquiry into 2026 Summer Bushfires in Victoria**
- 2. Authorise the Chief Executive Officer to make any necessary minor administrative amendments to the submission prior to the due date on 19 April 2026.**

11.4.3 Quarter Two Finance Report and Mid-Year Budget Review 2025-26

AUTHOR Chief Financial Officer

RESPONSIBLE DIRECTOR Director People and Governance

EXECUTIVE SUMMARY

A mid-year budget review for the 2025-26 financial year has been undertaken as a means of tracking where the delivery of the operating budget and capital works program is to the end of 31 December 2025, and also to better inform the development of the 2026-27 budget and review of Council's 2025-26 to 2034-35 Long Term Financial Plan.

The year to date (YTD) actuals for the first two quarters of the 2025-26 financial year shows a negative YTD variance against YTD budget for the operating result of \$433,626, and lower than expected capital expenditure of \$1,792,681 (for which the operating result variance is mainly due to lower capital grants received, offset by year to date staff vacancies impacting employee costs).

The mid-year budget review for the 2025-26 financial year shows a forecast deterioration of the operating result by \$3,944,878 and decreased capital expenditure of \$1,735,169 (which is largely offset by grant income or expenditure requirements carried forward from prior years, and higher depreciation expense from asset revaluations at the end of the 2024-25 financial year) when compared to the adopted Budget. The 2025-26 quarter two and mid-year budget review financial statements are contained in Attachment B to this report.

Included in the mid-year budget review financial statements are the current estimates of the impacts of the Longwood Berrys Lane Fire, which started on 7 January 2026, and had significant impacts on some parts of the Strathbogie Shire municipality and community.

Although this event did not impact actuals up to 31 December 2026, there will be impacts in the second half of the 2025-26 financial year. Where impacts are known or can be estimated, these have been reflected in the forecast mid-year review financial statements and have effects on the forecasts contained in the comprehensive impact statement, balance sheet and statement of cashflows.

MOVED: Cr Clark Holloway
SECONDED: Cr Gregory Carlson

That Council:

- 1. Note the quarter two Financial Report and the Mid-Year Review of the Financial Statements for the period ending 30 June 2026**
- 2. Note the statement by the Chief Executive Officer in attachment B that a revised budget is not required for the period ending 30 June 2026**
- 3. Note that the Mid-Year Review Financial Statements forecasts include current estimates for the impacts of the Longwood Berrys Lane Fire.**

11.4.4 Record of Informal Meeting of Councillors February 2026

AUTHOR Governance Officer

RESPONSIBLE DIRECTOR Director People and Governance

EXECUTIVE SUMMARY

In accordance with Section (114) of the Strathbogie Shire Council Governance Rules, if there is a meeting of Councillors that:

- is scheduled or planned for the purpose of discussing the business of Council or briefing Councillors
- is attended by at least one member of Council staff, and
- is not a Council meeting, Delegated Committee meeting or Community Asset Committee meeting; these are known as Informal Meetings of Councillors.

The Chief Executive Officer must ensure that a summary of the matters discussed at the meeting are:

- tabled at the next convenient Council meeting
- recorded in the minutes of that Council meeting.

The details of the Record of Informal Meetings of Councillors for the period 1 February 2026 to 28 February 2026 were attached to this report.

11.5.1 Customer Service Charter

AUTHOR Customer Service Coordinator

RESPONSIBLE DIRECTOR Executive Manager Communications, Advocacy and Customer Service

EXECUTIVE SUMMARY

Providing high quality customer service is fundamental to building trust, transparency, and satisfaction between Council and the community it serves. As the primary point of contact for many residents, businesses, and stakeholders, our customer service approach reflects the values, professionalism and responsiveness of our organisation.

A Customer Service Charter has been developed based on feedback received from recent community engagement, benchmarking with other councils, community satisfaction survey results and internal department engagement.

A contemporary, customer-focus Charter will provide clearer expectations, foster accountability and ensure that all Council staff are empowered to deliver services that are inclusive, accessible and of a consistent high standard.

The draft Charter was released for community consultation on 27 October 2025, with eight submissions received by the closing date on 24 November 2025. The feedback received was valuable and elements have been incorporated into the final version.

MOVED: Cr Clark Holloway
SECONDED: Cr Vicki Halsall

That Council:

- 1. Adopt the Customer Service Charter**
- 2. Authorise Council Officers to place the Customer Service Charter on Council's website, along with the publication of a notice in Council's weekly newspaper column and social media pages informing the community of the charter.**

11.5.2 Advocacy Update

AUTHOR Executive Manager Communications, Advocacy and Customer Service

RESPONSIBLE DIRECTOR Chief Executive Officer

EXECUTIVE SUMMARY

This report seeks Council's acceptance and endorsement of the Disaster Advocacy Strategy 2026, which has been drafted following the Longwood Berrys Lane Fire, which impacted Strathbogie in January 2026.

The Disaster Advocacy Strategy will be an addition to Council's Advocacy Strategy 2025-2029, which was adopted in September 2025.

The Strategy is informed by Councillor feedback captured during a workshop on 10 March 2026. This process was intended to understand alignment with the current thinking compared with the earlier prepared Advocacy Strategy and to identify any emerging/new disaster-related priorities.

MOVED: Cr Fiona Stevens
SECONDED: Cr Gregory Carlson

That Council:

- 1. Adopt the Disaster Advocacy Strategy 2026**
- 2. Authorise Officers to make updates to the Advocacy Priority Items to ensure they stay current**
- 3. Note that the Disaster Advocacy Strategy 2026 will guide Council's advocacy efforts from March 2026 onward.**
